

Donaldson®

Filtration Solutions

Donaldson delivers the most comprehensive line of filtration solutions for your trucks – and fleets.

Downtime means lost revenue. To keep your trucks on the road, you need **filters** that deliver superior performance – and a **reliable supplier** that offers complete coverage for your entire truck.

Filters are an important part of any effective truck maintenance program. They need to withstand the harsh demands of the road – the starts, the stops, the idling and the strain of a heavy load. Donaldson filters deliver the right combination of quality and value that help get your trucks to their next scheduled service without interruption.

Donaldson Delivers.

Innovative filtration solutions for engines, equipment and the people who use them.

- **Industry-Leading technology** – uncompromising product quality
