

Donaldson delivers the most comprehensive line of filtration solutions for construction fleets.

Downtime means lost revenue. To keep your equipment in service you need **filters** that deliver superior performance – and a **reliable supplier** that offers complete coverage for your entire fleet.

With Donaldson protection, your engines and equipment will operate longer between filter replacements, saving on costly downtime and repairs. And adding a Donaldson filtration system to your bulk fuel and lube storage will provide even more protection for your equipment and maximize uptime.

Donaldson Delivers.

Innovative filtration solutions for engines, equipment and the people who use them.

- **Industry-Leading Technology** – uncompromising product quality
- **OE Grade** – Donaldson is the first-fit choice of equipment manufacturers around the world
- **Broad Product Coverage** – air, lube, fuel, coolant and hydraulic filters and systems, plus exhaust, accessories and more
- **Consistent Product Availability** – the filters you need, when you need them
- **Comprehensive Customer Service** – experienced and knowledgeable sales and technical support teams
- **Distribution That Makes a Difference** – support from exceptional partners that know construction equipment and are quick to respond
- **Warranty** – industry leading coverage
- **Far Reaching Field Support** – Donaldson Representatives are nearby and ready to assist
