# Borg Warner Fan Clutch

Part # KYS 1090 09650 01

**Special Price: \$349.80**

The proven and robust Borg Warner Fan Clutch is equipped with fewer moving parts, and the Powerwedge liner, which means a longer fan clutch life and easy maintenance.

## Features:

- Most durable bearing package and base design for commercial vehicle line haul duty cycle.
- Line haul clutch of choice: 30% less power consumption than 2 speed.
- Simple: 20% few components than competition.
- Ease of maintenance: Liner is serviceable on the truck.
- Modular design: Just the clutch can be replaced for easy, low service cost.

**Cool your engines and stock up on Borg Warner!**
